GLADIOLI

Selected High Crowned Bulbs

Our bulbs are guaranteed to be free of Thrip. No flowers have been cut from these bulbs during the growing season with the result that all the strength is in the bulbs. They are not "Pancake Flat" such as stock we have seen offered, grown from old bulbs. Grading is generous; first size on most varieties runs 1 3/4" and up wherever possible.

E—Early

M—Midseason

L—Late
